The meeting was called to order at 6:10 pm. It was called to order by Skip Thornbury. The officers on the board will remain the same.

Erica was interested in knowing if there was a way to get an estimate of how many horse shows most members average in a year. Skip will work on finding out if there is a way to calculate that information. Horseshows Online has a similar program that can give all kinds of information.

The meeting was adjourned at 6:20 pm. A good time was had by all.

Respectfully submitted,

Anne Thornbury
