

## BOD email meeting/vote June 15, 2015

Several questions arose in June. With many board members out of town showing & unable to attend a conference call an email meeting and vote occurred on June 15, 2015 to respond to the membership.

**Lead line** A proposal was put forward to approve lead line for year-end awards. The motion was unanimously turned down.

**Chagrin Valley Horse show** Several members were planning to attend the Chagrin Valley Horse show in July and requested the show be approved for OHJA points. The motion was unanimously approved.

**Judges List:** a request was made to add Denise Phillips to the approved judges list. The motion was approved with one abstention.

Respectfully submitted,

Erica Staib
