NEW BUSINESS

Midwest Indoors, OHJA Classic and OHJA Medal finals

Anne and Patty had a follow up meeting with WEC show manager TJ Campbell, regarding the OHJA Classic and Medals Final schedule.

- The Classic will be held Friday night in the R & L, week I November 13-17
 - this will be divided by pro/non pro fences 2'-3'6 Other specs TBD
- Medal finals will be week 2 November 20-24 over 2 nights
 - 3'/3'6 sections will go Friday night in the R&L
 - 2'/2'6 sections will go Saturday night in the Roberts
- National derbies will still be offered during these shows and are planned for Sunday

Riders will now show in the same ring as their primary hunter and equitation divisions. This should alleviate the worry of schooling in another ring. OHJA will provide ribbons and trophies with WEC adding additional prizes. "The Paddock" will prepare a dinner buffet for each Medal final class.

Medal Qualification Points

Due to a number of factors, at the time of this meeting, only 9 riders have qualified for the final! The board unanimously approved reducing the number qualifying points from 15 to 10. Additionally, the qualification period has been extended thru November 3. Kathy will update the website and send an email blast to the membership. Note, if more riders don't qualify we may be unable to break finals up over 2 nights.

Sponsorships

We welcome, encourage and appreciate sponsors to help cover the cost of the buffet dinners and additional awards. Those sponsoring \$100 or more will be listed on group signage at each ring. Potential sponsors should contact Holly Helbig at hollyjhelbig@yahoo.com Checks should be made out to OHJA. To be included on signage checks must be received no later than November 3. More information will be sent in an email blast. OHJA will give \$500 per week toward the food. A special thanks to the Roberts' whom have gone above and beyond to support OHJA events and make them special and memorable!

Scott motioned to adjourn and was seconded by Judy at 6:00 pm

Respectfully submitted,

Erica Staib
