2022 HORSE SHOW RULES

The Ohio Hunter/Jumper Association invites your show to become a member for the 2023 show year (December 1, 2022, through November 30, 2023). We feel that the shows affiliated with our Association will benefit with increased revenue through the support our membership can give. The Association will also provide a more diversified show program which may prove more interesting to spectators.

To become a member show of the Ohio Hunter/Jumper Association, the following important rules should be followed.

I. MEMBER SHOW APPLICATION AND APPROVAL

A. General Requirements and Information

1. The OHJA Executive Secretary shall administrate the reservation and approval of show dates.
2. Multiple shows may be held on the same date only if they are more than fifty (50) road miles apart from each other, unless the party holding the protected show date agrees to waive this restriction. The road mileage must be verified through MapQuest using the most direct route.
3. A show shall offer classes in at least six (6) OHJA divisions before it can be an approved show. There shall be at least three (3) exhibitors in a division at a show for points to be counted. As long as a minimum of three (3) entrants **complete** the first class, all subsequent classes in the division will count for horse show and high score awards regardless of how many complete and/or compete in the remaining classes. This rule also applies to all jumper divisions. Just going through the start timers will not count as completing the course. The first class determines the point value category. In order for an OHJA approved show to maintain it's approval for year-end point awards at least four (4) of the required six (6) divisions offered must fill.
4. The number of classes a show may offer:
 - a. One day horse show:
 1. Hunter classes: minimum of three (3) classes (two jumping, one under saddle) and a maximum of four (4) classes (three jumping, one under saddle) per division.
 2. Jumper classes: minimum of two (2) classes and a maximum of three (3) classes per division.

*** Denotes change from 2022 Rules**

3. Equitation classes (excluding Walk/Trot and Crossrails): two (2) (one flat, one over fences). One OHJA Medal class may be held. If run as separate height sections, each section may be held only once.
 4. Walk/Trot and Crossrails Equitation classes: minimum of three (3) classes (two jumping, one flat) and a maximum of four (4) classes (three jumping and one flat).
- b. Multiple day horse shows:
1. Hunter classes: minimum of three (3) classes (two jumping, one under saddle) and a maximum of five (5) classes (four jumping, one under saddle) per division.
 2. Jumper classes: minimum of two (2) classes and a maximum of four (4) classes.
 - * 3. Equitation classes (excluding Walk/Trot and Crossrails): two (2) (one flat, one over fences) maximum of three (3) (one flat, two over fences). Exception: shows approved by the USHJA Outreach Program may offer a maximum of four (4) (one flat, three over fences). One OHJA Medal class may be held. If run as separate height sections, each section may be held only once.
 4. Walk/Trot and Crossrails Equitation classes: minimum of three (3) classes (two jumping, one flat) and a maximum of five (5) classes (four jumping and one flat).
5. The Association may revoke reserved or approved show dates whenever past rule violations warrant. Any extraordinary circumstances on the date approvals or changes will be handled by the board of directors.
 6. Loss of points for failure to meet the general requirements/rules by the show management is **THE RESPONSIBILITY OF THE HORSE SHOW MANAGEMENT** and does not lie with the OHJA.
 7. Except for extraordinary changes, all rules in effect at the beginning of the show season (December 1) shall remain in effect until the end of the season (November 30).
 8. Show management may not have multiple one day horse shows within a seven (7) day period.

B. Show Date Reservations

1. Previous year show dates will be temporarily protected so that a member show may renew their dates.
2. Previous year member shows will be notified of their protected show dates by annual notices mailed around October.
3. A protected date for a previous member show will only be held up to one hundred twenty (120) days before that show date. If applications and dues have not been received by that time, the date will become open.
4. Any open show date may be reserved provided the application and fee are received at least forty-five (45) days in advance of that date.
5. Applications for show dates shall be sent in on the form provided by the Association.

6. A Member Show fee of \$55.00 for each local rated show and \$75.00 for each USEF rated show is to accompany the show date application. This date application is for that specific date only and is NOT REFUNDABLE OR TRANSFERABLE.
7. The show date applicant must be a current member of the Association.
8. In the event of multiple requests for an open date, the Show Committee shall award the date as fairly as possible in the best interests of the Association.
9. If a show manager reserves a show date and then cancels said show, that manager has the right of first refusal to reserve that date the following year. If that show manager reserves the date and cancels that date for a second consecutive year, then that date will become an open date. Any show manager may apply for that date for the next year, excluding the manager that cancelled their shows.

C. Prize List and Show Approval

1. The prize list of a proposed member show must be received by the Association at least thirty (30) days before the date of the show.
2. The prize list should include complete class specifications and indicate which classes are OHJA approved (or are not).
3. The show will receive final approval as an OHJA Member Show if the prize list concurs with current OHJA Show Rules. If changes to the prize list are required, the show is responsible to make them prior to making the prize list available. The prize list should contain a complete schedule for the entire show. Ring size and dimensions should be provided for the competition rings, schooling and longing areas. There must be a schedule for each date shown on the front of the prize list. Deletions to the schedule may be made without prior notification to the OHJA Executive Secretary. **NO** additions may be made to the schedule without contacting (via e-mail, phone or regular mail) the OHJA Executive Secretary for approval. The new approved schedule must then be made available to all potential exhibitors.
4. The following statements are to be printed on all member show prize lists:
The _____ Horse Show is operated in accordance with the current rules of the Ohio Hunter/Jumper Association.
To be eligible for the Annual High Score Awards, the exhibitor and the owner must be members, and the horse or pony must be registered with the Association. Applications may be obtained from the Show Secretary.

II. SHOW ORGANIZATION AND OBLIGATIONS

- A. All shows shall be run in accordance with the United States Equestrian Federation (USEF) rules whenever OHJA rules do not apply.
- B. The show should restrict the number of classes so that the show ends at a reasonable time of day.

- C. A Show Secretary who is appointed by the show shall be responsible to the OHJA for the following.
1. All show results must be sent with a copy of the prize list to the OHJA Executive Secretary. They must also include the total number of horses that competed at the horse show whether shown in an OHJA/USEF rated or non-rated division. Results must be received or postmarked within ten (10) days of the close of the show. Failure to comply will result a \$100.00 fee to that show. Failure to send results within three (3) months will prevent next year's protected date approval. Results for any show held after November 15 must be received or postmarked by December 2 for points to count or be fined \$100.00.
 2. The Show Secretary will be provided with Show Report and Evaluation Sheets, Membership Applications and OHJA Show Rules. These forms shall be displayed and made available to anyone at that show. The Show Secretary will return completed forms to the OHJA.
 3. The show secretary will be required to submit all results to the OHJA Point Secretary in ShowPro Electronic Results format or in USEF Electronic Results format. Failure to submit the results in one of these formats will result in a \$75.00 fine for each offense. (Effective December 1, 2010, fines beginning June 1, 2011.)
 4. Horse show management must enforce all of the rules of the association from the time entries are submitted to the competition grounds until their departure from the grounds.
- D. Judges
1. Show managers will be required to use judges with a USEF Recorded (R) or registered (r) status. Other qualified individuals may be selected, but the show manager should submit the name and qualifications of the prospective judge for approval from the Board of Directors at least 30 days prior to the show. Once a judge is approved, they will remain on the approved judges list for three (3) years. A judge may be removed from the list at any time by a majority vote of the Board of Directors. A name may be added at any point, without submission from a show manager with a majority vote of the Board of Directors.
 2. It is strongly recommended that judges hold no more than four (4) judging cards at one time. Management may ask the judges to hold more cards if the entries make it feasible but it is the judge's decision as to whether they are comfortable doing so and they can decline to do so.
- E. Show Management's Responsibilities
1. No riding on horse show grounds without an ASTM/SEI approved hard hat.
 2. Emergency facilities should be arranged for. An ambulance, emergency vehicle, EMT or nurse should be on the grounds at all times, or on call.
 3. A veterinarian, blacksmith and doctor should be on call, if not on the grounds.
 4. Stabling, if available, should be adequate and clean. Bedding should be available for purchase.
 5. Adequate restrooms/port-a-lets should be provided and maintained during the horse show.

6. Water facilities and wash racks should be convenient.
7. Schooling and lounging areas should be of ample size, conveniently located to the show ring. Schooling areas should have a vertical fence and an oxer, and be properly supervised. Proper lighting is to be available if the show is to have evening performances.
8. Food concession should be available schooling day and during the entire horse show if possible.
9. The scheduled order of classes should not be changed without adequate notice to the exhibitors.
10. Judges should be furnished with cards, all OHJA class specifications and courses. Comfortable seating and shelter needs to be provided.
11. If a question arises over a pony's height and it has no valid USEF measurement card, the pony will need to be measured by an OHJA board member and a veterinarian chosen by the board or a USEF steward. This will be done at a predetermined time and place as convenient as possible for all concerned. The owner of the pony must pay all fees associated with the measurement including but not limited to fees of the veterinarian or steward, travel fees and miscellaneous fees. After the measurement a letter will be issued by the OHJA board to the owner as permanent proof of measurement for OHJA shows not sanctioned by the USEF. If the pony is proven to not be the size stated, points will be surrendered from that horse show retroactive to the beginning of the horse show year.

- * 12. A champion and reserve for each eligible OHJA division (all Equitation, Hunter and Jumper divisions) is to be determined after the last class for each division, provided that the minimum number of classes were held (see Rules I.A.4). The determination is to be done in a manner consistent with current USEF specifications. The number of entries in the first class over fences in a division will be used to determine the number of entries used for the year-end point calculations. The top four (4) horses or ponies from those receiving points over fences (points up to sixth place) also receive any points from the under saddle class. The top two (2) are then the show champion and reserve. Points are currently assigned in this manner: 1st=10, 2nd=6, 3rd=4, 4th=2, 5th=1, 6th=1/2.

13. Show management is required to provide safety cups for the back rail of all oxers in the show ring. Safety cups or regular cups with wooden dowel rods for pins must be provided for the standards used for oxers in the schooling area.

F. Course Planning

1. The fence height or the range of heights is to be specified for all classes in the prize list.
2. Courses should consist of at least six (6) to eight (8) fences, including oxers. It is recommended that oxers are not used in the Short Stirrup or Limit Rider divisions.
3. A ground line is recommended for all fences.

4. Fifty (50) percent or more of the fences are to be at least the stated height and none shall be more than 3" over or under. Any first fence, brush fence, ditch or bank is excluded from this requirement.
5. Course illustrations should be posted at least one (1) hour before class time.
6. Course design assistance may be acquired from the Association if a member show requests it.

III. HIGH SCORE AWARDS

- A. Terms of Competition. Annual awards will be made to horses and riders which score the highest number of points in their division at shows recognized by the OHJA from December 1 through November 30 under the following conditions.
 1. Awards are restricted to members of the Association.
 2. Horses and ponies must be recorded with the OHJA and the owner must be a member to receive points. The rider must be a member to receive points in the equitation divisions.
 3. A division has to have been offered (points accrued) in at least six (6) approved shows, and at least three members shall have received points over fences in that division during the show year to be eligible for year-end awards.
 4. There shall be at least three (3) exhibitors in a division at a show for points to be counted for year-end awards. As long as a minimum of three (3) entrants complete the first class over fences all subsequent classes in the division will count for horse show and year-end awards regardless of how many complete the remaining classes. **The under saddle and flat equitation classes my not run as the first class of the division.**
 5. Only classes that follow OHJA specifications will be counted.
 6. Points accumulated toward High Score Awards by any horse found to have received a forbidden substance and penalized by the USEF shall be nullified by the OHJA for the year in which published by the USEF.
 7. The age of an individual on December 1 shall be maintained throughout the entire show year.
 8. High Score Award points will be awarded for first through eighth places on the exhibitor count basis shown in Point Table I. For the purpose of calculating points, the number of entries for all classes will be determined by the number of entries in the first performance class of the section. Points are calculated by adding the point value on the increment chart to the number of entries in the first performance class of the section. If the first performance class has fewer than three entries that show and place, points will be determined by the number of entries in the second performance class of the section.

POINT TABLE I (for OHJA High Score Awards, Rule III.A.8)

#Exh	3 and over
1st	40 + number of entrants in class
2nd	35 + number of entrants in class

3rd	30 + number of entrants in class
4th	25 + number of entrants in class
5th	24 + number of entrants in class
6th	23 + number of entrants in class
7th	22 + number of entrants in class
8th	21 + number of entrants in class

- * 9. The divisional champion will be awarded 2.0 times the total 1st place point value of the first class in that section and reserve champion will be awarded 1.2 times the total 1st place value of the first class in that section Rule III.A.7, provided that the minimum number of classes as specified in Rule I.A.4 were held

IV. OHJA DIVISIONS

A. The following may be initially offered as combined divisions:

1. Pony Hunter: Small Pony Hunter, Medium Pony Hunter and Large Pony Hunter divisions. If there are less than three entrants in either the Small or Medium Pony Hunter sections these divisions should be combined in order to receive points.
2. Junior/Amateur-Owner Hunter: Junior Hunter and Amateur-Owner Hunter divisions. If there are less than three entrants in either the Junior or Amateur-Owner Hunter sections these divisions should be combined in order to receive points.
3. Short Stirrup/Limit Rider: Short Stirrup and Limit Rider divisions. If there are less than three entrants in either the Short Stirrup or Limit Rider Hunter sections these divisions should be combined in order to receive points.
4. Intermediate Adult Hunter and Intermediate Children's Hunter divisions. If there are less than three entrants in either the Intermediate Adult or Intermediate Childre's Hunter sections these divisions should be combined in order to receive points
5. Children's Hunter and Adult Amateur Hunter divisions. If there are less than three entrants in either the Children's or Adult Amateur Hunter sections these divisions should be combined in order to receive points.

These divisions may be split as specified below if there are three (3) or more exhibitors in each section. It is not recommended to split the division with only three (3) entrants. If these divisions are offered separately and the first class of the division has been completed and ribbons awarded with the minimum number of entrants then it may not be combined with any other division.

B. Splitting of divisions:

1. Divisions that are originally offered as combined divisions (i.e. Short Stirrup/Limit Rider) may be split into their respective divisions if there are at least three (3) in each of the new respective divisions. It is not recommended to split divisions with only three (3) entrants due to the risk factor of not all entries

completing the class. Divisions that are originally offered as combined and do not meet the minimum number requirements to be split into separate divisions but have a minimum of twenty (20) entries total can be split into sections via the California split system (recommended) or an A section/B section format.

2. Any division(s) (with the exception of the Walk/Trot and Crossrails Equitation divisions) that has a minimum of twenty (20) entrants can be split via the California split system or an A section/B section format. Any division(s) that has fifty (50) or more entries **must** be split using either system. The Walk/Trot and Crossrails Equitation divisions may be split if the number of entries exceed twelve (12) or more entrants.
3. Once a division(s) has been split and the minimum number of entries have completed the course in the first class the division(s) they **may not** be combined again for the remainder of the competition.
4. When using the California split system there needs to be a minimum of twenty (20) in the division before this method can be used. The California split system may not be used in any equitation class or division. Entries must be judged as a single class and split on the card by the Judge as follows:

HORSE'S PLACING	PRIZE AWARDED
1 st	1 st (Sec A)
2 nd	1 st (Sec B)
3 rd	2 nd (Sec A)
4 th	2 nd (Sec B)
5 th	3 rd (Sec A)
6 th	3 rd (Sec B)
7 th	4 th (Sec A)
8 th	4 th (Sec B)
9 th	5 th (Sec A)
10 th	5 th (Sec B)
11 th	6 th (Sec A)
12 th	6 th (Sec B)
13 th	7 th (if offered) (Sec A)
14 th	7 th (if offered) (Sec B)
15 th	8 th (if offered) (Sec A)

D. OHJA Hunter Seat Medal Class. Member shows of the OHJA may offer OHJA Medal classes provided they follow the qualifications stated below.

1. Entrants need be members of the Association to accumulate points.
2. Class to be shown over a course consisting of a minimum of eight (8) fences, with two (2) changes of direction. A minimum of twelve (12) riders, if available, will be required to show at a walk, trot and canter following the jumping phase. To be judged on seat, hands, guidance and control of horse. Each phase of the class (over fences and on the flat) shall count fifty (50) percent. A minimum of three (3) competitors must complete the course **and** ride on flat in order for the class to fill. Once the First exhibitor has competed over fences in the class no additional entries to that class are allowed.
3. Fence height varies with the rider's age/ability. See Rule IV.C.28c through i for specifications.
4. If entries warrant, Management may split the class along the four age groups or between juniors and adults. If multiple Medal Classes are held at a show, they must be split so that no one age group can compete in more than one (1) Medal Class.
5. Six (6) ribbons will be awarded in each class. First place riders will receive a medal at the year-end banquet.
6. Qualification for the year end OHJA Medal Finals will be based on accumulated points: 1st = 10; 2nd = 6; 3rd = 4; 4th = 2, 5th = 1, 6th = 1/2. It will take fifteenth (15) points to qualify.
7. The cut-off date for the medal points will be thirty (30) days prior to the date of the Finals, which will be announced during the show year.
8. In the Medal Finals the riders will compete over fences first and then a minimum of twelve (12) rider if available will be required to come back for the flat phase. Upon the completion of the flat phase all riders will be asked to leave the ring. Only the riders receiving awards will be asked to return to the ring for award presentation.
9. For the end of the year OHJA medal finals, your yearly primary showing height or your age group equitation height is where you're expected to show for the finals.

Any deviations from this may be allowed, but this should be approved in writing by the board.

- E. OHJA Stirrup Cup Awards. The OHJA will begin recognizing an additional category of riders. This will be a group of riders already competing in the traditional 3'0" Adult Hunters, 3'0" Children's Hunter, 2'6" Intermediate Adult Hunters and the 2'6" Intermediate Children's Hunter divisions. Any riders who typically ride in these four divisions will also have their points tabulated by only adding together the points from non-rated USEF shows. This will not add four new divisions to the OHJA Year-End Awards, it will just add an additional way of acknowledging a group of riders at our end-of-the-season awards banquet. Riders can clearly accumulate points in both categories.

- A. A protest may be made under the following circumstances:
Any board member in attendance at an OHJA recognized show shall and can act as an OHJA steward and shall be responsible for bringing to the attention of the horse show management any potential rule violations. Members can then read the minutes and have thirty (30) days from the point of publishing to submit any comments or suggestions. These suggestions will be sent to the appropriate board member via a form that will be available on the website. The board will review any

suggestions received at the next scheduled board meeting and will take these suggestions into consideration before voting on the proposed rule change or new rule.

- B. When a subject is not addressed in these rules, it must be addressed by the OHJA Board of Directors and their interpretation will stand as the rule until the next year when an appropriate rule change will be submitted.
- C. Any OHJA member who wishes to reclassify their horse show division/class eligibility must submit their request to the OHJA BOD current acting President in writing. At that time the OHJA BOD will take the request under discussion. When a decision has been reached on the member's request, the member will then be notified in writing. At that time if division eligibility reclassification is granted, the OHJA member will be permitted to show in desired division/classes.
- D. Any professional Ohio Hunter Jumper Association (OHJA) member who wishes to be re-classified as an amateur on the grounds that he/she no longer engages in the activities which made Him/her a professional must notify the OHJA Board of Directors (BOD) in writing.
