

Plans are under way for the 2008 Findlay Ohio Swap Meet. As usual it will be held at the University of Findlay's western farm. With the new arena and all of the same previous areas at our disposal we want to make sure we utilize all of the space to it's best advantage.

Everyone that had a spot for the 2007 swap meet will be considered for the 2008 spots before any new ones are sold. I'm already getting inquiries from both commercial and non commercial exhibitors. I'm contacting everyone that was at the 2007 swap meet to remind you to get your reservation check in. I'll be accepting checks any time after Dec. 1, 2007.  
If you intend to participate please get your reservation in to me no later than Feb. 1, 2007.

Set up: Anyone wanting to drive in to unload and set up must do it on Saturday, Feb. 23 and you must call me ahead of time to make arrangements.  
Otherwise all other set up starts on Sunday morning at 7 AM

If you have any questions feel free to contact me. We are looking forward to another great year.
