Association Profile

ABOUT

At the Ohio Hunter Jumper Association (OHJA), our mission is to champion the dynamic growth of the hunter/jumper discipline throughout Ohio. We achieve this by approving and supporting horse shows at both local and rated levels, facilitating point systems for year-end awards, and promoting educational opportunities within the equestrian community.

Driven by a profound commitment to horsemanship and sportsmanship, OHJA is dedicated to nurturing a thriving and inclusive community of riders. We aspire to elevate the standards of horsemanship, instill a love for the equestrian sports, and create a supportive environment for riders of all levels.

In addition to our competitive focus, we actively contribute to the education of our members by providing scholarships and grants. These investments not only foster individual growth, but also contribute to the collective development of the hunter/jumper community.

As stewards of the equestrian spirit, OHJA is steadfast in its dedication to promoting fair play, respect, and camaraderie among our members. By upholding these values, we aim to create an enduring legacy that enriches the lives of our riders, strengthens the bonds within our community, and advances the noble traditions of the hunter/jumper discipline in Ohio.

ETHICS POLICY

As members of OHJA, we recognize our role in furthering the hunter and jumper sport by holding ourselves to the highest ethical standards. We further agree:

- To adhere to the rules and standards set forth by OHJA, USHJA and USEF and to work to further their goals and objectives.
- To ensure that the welfare of the horse is the foremost consideration and that every horse is treated humanely, with dignity and compassion.
- To conduct all business affairs with transparency and accuracy, to promote confidence among all equestrians and the public in the hunter/jumper industry.

2025 OHJA Horse Show Rules

The Ohio Hunter/Jumper Association invites your show to become a member for the 2025 show year (December 1, 2024, through November 30, 2025). We feel that the shows affiliated with our Association will benefit from increased revenue through the support our membership can give. The Association will also provide a more diversified show program which may prove more interesting to spectators.

To become a member show of the Ohio Hunter/Jumper Association, the following important rules should be followed:

I. MEMBER SHOW APPLICATION & APPROVAL

A. GENERAL REQUIREMENTS AND INFORMATION

1. The OHJA ~~Executive Secretary~~ Board of Directors shall administrate the reservation and approval of show dates.
2. Multiple shows may be held on the same date only if they are more than 50 road miles apart from each other, unless the party holding the protected show date agrees to waive this restriction. The road mileage must be verified through MapQuest using the most direct route.
3. A show shall offer classes in at least six (6) OHJA divisions before it can be an approved show. There shall be at least three (3) exhibitors in a division at a show for points to be counted. As long as a minimum of three (3) entrants complete the first class, all subsequent classes in the division will count for horse show and high score awards regardless of how many complete and/or compete in the remaining classes. This rule also applies to all jumper divisions. Just going through the start timers will not count as completing the course. The first class determines the point value category. For an OHJA approved show to maintain its approval for year-end points, at least four (4) of the required six (6) divisions offered must fill.
4. The number of classes a show may offer:
 - a. One day horse show:
 - (1.) Hunter divisions: minimum of three (3) classes (two jumping, one under saddle) and a maximum of four (4) classes (three jumping, one under saddle) per division.
 - (2.) Jumper divisions: minimum of two (2) classes and a maximum of three (3) classes per division.
 - (3.) Equitation divisions (excluding Walk/Trot and Cross Rail): two (2) (one flat, one over fences) per division.
 - (a.) One OHJA Medal class may be held. If run as separate height sections, each section may be held only once.

- (4.) Walk/Trot and Cross Rail Equitation divisions: minimum of three (3) classes (two jumping, one flat) and a maximum of four (4) classes (three jumping and one flat) per division.
- b. Multiple-day horse shows:
 - (1.) Hunter divisions: three (3) classes (two jumping, one under saddle) and a maximum of five (5) classes (four jumping, one under saddle) per division.
 - (2.) Jumper divisions: minimum of two (2) classes and a maximum of four (4) classes per division.
 - (3.) Equitation divisions (excluding Walk/Trot and Cross Rail): minimum of two (2) classes (one flat, one over fences) and a maximum of three (3) classes (one flat, two over fences) per division. Exception: shows approved by the USHJA Outreach Program may offer a maximum of four (4) classes (one flat, three over fences).
 - (a.) One OHJA Medal class may be held. If run as separate height sections, each section may be held only once.
 - (4.) Walk/Trot and Cross Rail Equitation divisions: minimum of three (3) classes (two jumping, one flat) and a maximum of five (5) classes (four jumping and one flat) per division.
5. The Association may revoke reserved or approved show dates whenever past rule violations warrant. Any extraordinary circumstances on the date approvals or changes will be handled by the OHJA Board of Directors.
6. Loss of points for failure to meet the general requirements/rules by the show management is THE RESPONSIBILITY OF THE HORSE SHOW MANAGEMENT and does not lie with the OHJA.
7. Except for extraordinary changes, all rules in effect at the beginning of the show season (December 1) shall remain in effect until the end of the season (November 30).
8. Show management may not have multiple one-day horse shows within a seven (7) day period.

B. SHOW DATE RESERVATIONS

1. Previous year show dates will be temporarily protected so that a member show may renew their dates.
2. ~~Previous year member shows will be notified of their protected show dates by annual notices mailed around October.~~
3. A protected date for a previous member show will only be held up to 120 days before that show date. If applications and dues have not been received by that time, the date will become open.
4. Any open show date may be reserved provided the application and fee are received at least 45 days in advance of that date.
5. Applications for show dates shall be sent in on the form provided by the Association.
6. A Member Show fee of \$55.00 for each local rated show and \$75.00 for each USEF rated show is to accompany the show date application. This date application is for that

specific date only and is NOT REFUNDABLE ~~OR TRANSFERABLE~~. Date TRANSFER/ RESCHEDULE will be on a case by case basis with Board Approval.

7. The show date applicant must be a current member of the Association.
8. In the event of multiple requests for an open date, the OHJA Board of Directors shall award the date as fairly as possible in the best interests of the Association.
9. If a show manager reserves a show date and then cancels said show, that manager has the right of first refusal to reserve that date the following year. If that show manager reserves the date and cancels that date for a second consecutive year, then that date will become an open date. Any show manager may apply for that date for the next year, excluding the manager that canceled their shows.

C. PRIZE LIST AND SHOW APPROVAL

1. The prize list of a proposed member show must be received by the Association at least 30 days before the date of the show.
2. The prize list should include complete class specifications and indicate which classes are OHJA approved (or are not).
3. The show will receive final approval as an OHJA Member Show if the prize list concurs with current OHJA Show Rules. If changes to the prize list are required, the show is responsible for making them prior to making the prize list available. The prize list should contain a complete schedule for the entire show. Ring size and dimensions should be provided for the competition rings, schooling and lunging areas. There must be a schedule for each date shown on the front of the prize list. Deletions to the schedule may be made without prior notification to the OHJA Executive Secretary. NO additions may be made to the schedule without contacting (via e-mail, phone or regular mail) the OHJA Executive Secretary for approval. The new approved schedule must then be made available to all potential exhibitors.
4. The following statements are to be printed on all member show prize lists:
 - a. The _____ Horse Show is operated in accordance with the current rules of the Ohio Hunter/Jumper Association.
 - b. To be eligible for the Annual High Score Awards, the exhibitor and the owner must be members, and the horse or pony must be registered with the Association. Applications may be obtained from the Show Secretary.

II. SHOW ORGANIZATION & OBLIGATIONS

A. RULES

1. All shows shall be run in accordance with the United States Equestrian Federation (USEF) rules whenever OHJA rules do not apply.

B. SHOW DAY DURATION

1. The show should restrict the number of classes so that the show ends at a reasonable time of day.

C. SHOW SECRETARY RESPONSIBILITIES

A Show Secretary who is appointed by the show shall be responsible to the OHJA for the following:

1. All show results must be sent to the OHJA Executive Secretary. They must also include the total number of horses that competed at the horse show whether shown in an OHJA/USEF rated or non-rated division. Results must be received via e-mail or postmarked within 10 days of the close of the show. Failure to comply will result in a \$100.00 fee for that show. Failure to send results within three (3) months will prevent next year's protected date approval. Results for any show held after November 15 must be received via e-mail or postmarked by December 2 for points to count or be fined \$100.00.
2. Show reports, evaluation sheets, membership applications and OHJA rules are available to download on the OHJA website. These forms shall be displayed and made available to anyone at that show. The Show Secretary will return completed forms to the OHJA.
3. The show secretary will be required to submit all results to the OHJA Executive Secretary in ShowPro electronic results format or in USEF electronic results format. Failure to submit the results in one of these formats will result in a \$75.00 fine for each offense.
4. Horse show management must enforce all rules of the Association from the time entries are submitted to the competition grounds until their departure from the grounds.

D. JUDGES

1. Show managers will be required to use judges with a USEF Recorded (R) or registered (r) status. Other qualified individuals may be selected, but the show manager should submit the name and qualifications of the prospective judge for approval from the OHJA Board of Directors at least 30 days prior to the show. Once a judge is approved, they will remain on the approved judges list for three (3) years. A judge may be removed from the list at any time by a majority vote of the OHJA Board of Directors. A name may be added at any point, without submission from a show manager with a majority vote of the OHJA Board of Directors.
2. It is strongly recommended that judges hold no more than four (4) judging cards open at one time during the horse show. Management may ask judges to keep more cards open if the entries make it feasible, but it is the judge's decision as to whether they are comfortable doing so.

E. SHOW MANAGEMENT'S RESPONSIBILITIES

1. No riding on horse show grounds without an ASTM/SEI approved helmet.
2. Emergency facilities should be arranged for. An ambulance, emergency vehicle, EMT or nurse should be on the grounds at all times, or on call.
3. A veterinarian, blacksmith and doctor should be on call, if not on the grounds.
4. Stabling, if available, should be adequate and clean. Bedding should be available for purchase.
5. Adequate restrooms/port-a-lets should be provided and maintained during the horse show.
6. Water facilities and wash racks should be convenient.
7. Schooling and lunging areas should be of ample size, conveniently located to the show ring. Schooling areas should have a vertical fence and an oxer and be properly supervised. Proper lighting is to be available if the show is to have evening performances.
8. Food concessions should be available on schooling day and during the entire horse show, if possible.
9. The scheduled order of classes should not be changed without adequate notice to the exhibitors.
10. Judges should be furnished with cards, all OHJA class specifications and courses. Comfortable seating and shelter need to be provided.
11. If a question arises over a pony's height and it has no valid USEF measurement card, the pony will need to be measured by an OHJA Board Member and a veterinarian chosen by the board or a USEF steward. This will be done at a predetermined time and place as convenient as possible for all concerned. The owner of the pony must pay all fees associated with the measurement including but not limited to fees of the veterinarian or steward, travel fees and miscellaneous fees. After the measurement a letter will be issued by the OHJA Board of Directors to the owner as permanent proof of measurement for OHJA shows not sanctioned by USEF. If the pony is proven to not be the size stated, points will be surrendered from that horse show retroactive to the beginning of the horse show year.
12. A champion and reserve for each eligible OHJA division (all Equitation, Hunter and Jumper divisions) is to be determined after the last class for each division, provided that the minimum number of classes were held (see Rules I.A.4). The determination is to be done in a manner consistent with current USEF specifications. The number of entries in the first class over fences in a division will be used to determine the number of entries used for the year-end point calculations. The top four (4) horses or ponies from those receiving points over fences (points up to sixth place) also receive any points from the under saddle class. The top two (2) are then the show champion and reserve. Points are currently assigned in this manner: 1st=10, 2nd=6, 3rd=4, 4th=2, 5th=1, 6th=1/2.
13. Show management is required to provide safety cups for the back rail of all oxers in the show ring. Safety cups or regular cups with wooden dowel rods for pins must be provided for the standards used for oxers in the schooling area.

F. COURSE PLANNING

1. The fence height or the range of heights is to be specified for all classes in the prize list.
2. Courses should consist of at least six (6) to eight (8) fences, including oxers. It is recommended that oxers are not used in the Short Stirrup or Limit Rider divisions.
3. A ground line is recommended for all fences.
4. 50 percent or more of the fences are to be at least the stated height and none shall be more than 3" over or under. Any first fence, brush fence, ditch or bank is excluded from this requirement.
5. Course illustrations should be posted at least one (1) hour before class time.
6. Course design assistance may be acquired from the Association if a member show requests it.

Divisions that are originally offered as combined divisions (i.e. Short Stirrup/Limit Rider) may be split into their respective divisions if there are at least three (3) in each of the new respective divisions. Any division(s) that has 50 or more entries must be split using either system. The Walk/Trot and Cross Rail Equitation divisions may be split if the number of entries exceed 12 entrants.
8. Once a division(s) has been split and the minimum number of entries have completed the course in the first class the division(s) they may not be combined again for the remainder of the competition.
9. To use the California split system, there needs to be a minimum of 20 entrants in the division. The California split system may not be used in any equitation class or division. Entries must be judged as a single class and split on the card by the Judge as follows:

CALIFORNIA SPLIT SYSTEM	
Horse's Placing	Prize Awarded

2nd	1st (Section B)
3rd	2nd (Section A)
4th	2nd (Section B)

F. OHJA HUNTER SEAT MEDAL CLASS

Member shows of OHJA may offer OHJA Medal classes provided they follow the qualifications stated below:

1. Entrants must be members of the Association to accumulate points.
2. Class to be shown over a course consisting of a minimum of eight (8) fences, with two (2) changes of direction. A maximum of 12 riders, if available, will be required to show at a walk, trot and canter following the jumping phase. To be judged on seat, hands, guidance and control of horse. 4. If entries warrant, Management may split the class between the age/ability groups or between juniors and adults. If multiple OHJA Medal Classes are held at a show, they must be split so that no one age group can compete in more than one (1) OHJA Medal Class.
5. Six (6) ribbons will be awarded in each class **at individual horse shows. ~~First place riders will receive a medal at the year-end awards banquet.~~**

G. OHJA HUNTER SEAT MEDAL FINALS

1. Qualification for the year-end OHJA Medal Finals will be based on accumulated points: 1st = 40; 2nd = 35; 3rd = 30; 4th = 25, 5th = 24, 6th = 23. Riders must earn 40 points to qualify.
2. In addition to OHJA Medal classes, riders may use points from the following equitation classes at OHJA recognized shows toward qualifying: Short Stirrup, Limit, 11 & Under, 12-14, 15-17, Children's, Adult, Low Children's, Low Adult, ANY national Medal and WEC medals.

4. The following height sections will be offered at OHJA Medal Finals: 2', 2'3", 2'6", 3' 3'3" and 3'6". For the year-end Medal Finals, your yearly primary showing height is where you are expected to show. Any deviations from this may be allowed, but this should be approved in writing by the board.
5. In the Medal Finals the riders will compete over fences first and then a maximum of twelve (12) riders if available will be required to come back for the flat phase. Only the riders receiving awards will be asked to return to the ring for award presentation. **All OHJA Medal Finals participants will receive a neck medal.**

H. OHJA STIRRUP CUP AWARDS

OHJA will begin recognizing an additional category of riders. This will be a group of riders already competing in the traditional 3'0" Adult Hunters, 3'0" Children's Hunter, 2'6" Low Adult Hunters and the 2'6" Low Children's Hunter divisions. Any riders who typically ride in these four divisions will also have their points tabulated by only adding together the points from non-rated USEF shows. This will not add four new divisions to the OHJA Year-End Awards, it will just add an additional way of acknowledging a group of riders at our year-end awards banquet. Riders can accumulate points in both categories.
